

Thank you very much for your consent to participate in this research study.

To complete the process and proceed with this study, we have asked for your information about:

- The name(s) and information for the physician(s) who has/have cared for you throughout your experiences with cancer
- The names of the hospitals / institutions where you have received treatment or have had procedures performed (e.g. biopsies and/or surgeries)

We may use this information to obtain copies of your medical records, and if you had elected on the informed consent, we may also obtain some of your stored cancer samples.

Printed below is the information you have provided to us:
